

Employment Opportunity – Operations Supervisor

THE COMPANY

A. Harvey & Co. Ltd. is a privately owned Newfoundland Company which provides a wide range of services including the Marine Base operation in the Port of St. John's, Harvey Autocarriers, Avalon Customs Brokers, Argentinia Freezers and Terminals, Harvey Road Salt and Harvey's Oil Ltd. The Harvey Offshore Marine Base, located in the Port of St. John's, is a key logistical link to the East Coast offshore oil and gas industry.

THE ROLE – OPERATIONS SUPERVISOR

The A. Harvey Marine Base – Container Division currently has an opening for a full time, permanent Operations Supervisor. Reporting to the Division Manager of Container Operations, the Operations Supervisor will be responsible for supervising the work of the yard crews to ensure it is completed safely and efficiently. The Operations Supervisor will ensure appropriate loading/unloading and storage of all containers shipped and received at the Depot. Proper storage of units, efficient loading and unloading of trailers and ensuring all units available for use are keys factors of this role. Maintaining a safe work environment by following the Safety Programs are also vital to this position.

THE CANDIDATE

The ideal candidate for this role will have several years of front line supervisory experience specifically related to operations and/or logistics would be an asset. Holding a diploma or degree in a relevant area and/or significant work experience in a relevant area will be considered a strength. Highly developed computer, oral and written communication skills, being able to administer the company safety program, as well as good interpersonal skills are required to work in this fast paced environment. An ability to understand and work with diverse groups of people and clients, comfortable working a flexible schedule based on business requirements, comfortable working outside in all weather conditions and developed teamwork skills that support a team based operation are ideal for this role. Comfortable working in an environment of heavy material handling equipment, high traffic flow and with hazardous materials is also required. Having experience with TDG/IMDG, WHIMS also an aptitude for mechanics, equipment and transportation systems would be possessed with the ideal candidate.

Interested candidates please submit a resume by March 22nd, 2019 to:
